Akson CNG Pulse 20W-50
API SL/CF

Pack Sizes: 0.5, 1, 3, 26, 55, 210 Ltr

Product Description:
Akson CNG Pulse 20W-50 is high quality versatile gasoline engine oils designed for CNG & LPG engines. They are formulated using high quality base oils and advanced chemical additive technology to provide high levels of engine protection against wear, deposits and provides outstanding engine cleanliness.

Application:
Akson CNG Pulse 20W-50 is formulated from advanced green and clean chemistry and is recommended for Cars, Taxis, Vans, Jeeps and Three Wheelers (4-Stroke Engines) running on CNG or LPG fuel.

Specifications:
Meets API SL/CF

Product Benefits:
- Excellent protection against sludge build up
- Very good resistance against corrosion and high temperature
- Keeps engine cool and clean
- Enhanced drain interval & lower maintenance cost keeping the environment clean
- Reduce fuel consumption
- Optimised co-efficient of friction
